This communication supersedes the Notice of Allowability mailed 5/16/05.

Claims 1-7, 9-10, 13 are pending in this application.

Claims 8, 11-12 are canceled.

***Claim Rejections - 35 USC § 102***

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(a) the invention was known or used by others in this country, or patented or described in a printed publication in this or a foreign country, before the invention thereof by the applicant for a patent.

Claims 1-7, 9-10, 13 are rejected under 35 U.S.C. 102(a) as being anticipated by Patel et al., US provisional application 60/395,164, filed 7/11/029, (US 2004/0063954 A1).

Patel et al., disclose compounds similar to instantly claimed compounds on pages 3-11, 31-67, and claims 1-6, 11-16. Patel also disclose a process of making the compounds on page 11, column 2. See lines 1-25 and the reaction schemes.

The allowability of claims 1-7, 9-10, 13, in the last Office action is hereby withdrawn because the affidavit filed on 4/18/05 under 37 CFR 1.131 is not sufficient to overcome the 60/395,164 provisional application reference by Patel et al. Specifically, the affidavit fails to provide evidence that applicant is in possession of all species disclosed in the reference as required under 37 CFR 1.131. See MPEP 715.03 I(B). See also, the attached notice of withdrawal dated 6/7/05.

Applicant contends that the provisional application may not disclose the material cited by the Examiner. This is not persuasive because, upon examination of the provisional application it is deemed an exact copy of US 2004/0063954 A1.

The rejection of claims 1-7, 9-10, 13 under 35 USC 112 is now withdrawn.

Art Unit: 1626

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
